

Gwydir Shire Council is seeking expressions of interest from individuals, community groups or businesses looking for a unique opportunity to develop their operations in the hospitality industry by running a contemporary food and beverage enterprise with flair, creativity and imagination that meets the demand for quality food in the region.

The Roxy Café

The Roxy complex is a multi-purpose venue with modern conference and function facilities, and is a regional centre for cinema and the performing arts, with regular live shows and movie screenings. The Roxy has recently been heritage listed, and is a magnificent example of an interwar cinema and cafe, one of only a few remaining in Australia today.

The Gwydir Shire Council is seeking expressions of interest from potential lessees willing to build the Roxy Cafe business to its full potential, and help make the Roxy complex an iconic regional destination.

Located in Bingara the 100 seat cafe/restaurant features faithfully restored 1930s decor and boasts a fully equipped commercial kitchen complete with pizza and combi ovens. The café caters for functions for the adjacent Roxy Theatre such as weddings, and conferences as well as walk in trade. There exists endless opportunities to value add including high teas and off site catering as well as providing old-style lollies and fudge for the passing tourist trade.

Expressions of Interest close Friday 25th January, 2019

If you are excited by either of these opportunities and require more information please contact Georgia Standerwick at Gwydir Shire Council on 0409 901 540 or 02 6724 0066.
